Our Tariffs

Selection Procedure

Our selection system has been designed to meet the client's expectation. We always stay close to our clients to understand their requirement and satisfaction.

All the workers will be Hong Kong residents and will possess valid CITA Green Card, Construction Worker's Registration, Confined Space Card and relevant Trade Cards.

Safety

Safety is always our prime object. Gurkhas Ekta International has its own safety policy which is periodically reviewed as necessary. Further our team conduct Safety Trainings, Site Safety Talks, Toolbox Talks and Safety Seminars to development safety awareness amongst the team members as well as present monthly Safety Rewards/Safety Award Certificates to the best workers.

Administration

We arrange PPE, a periodical employment fitness medical check-ups and occasional get-togethers to our team members and their families to keep close relation and build the team spirit. We ensure timely payment of salaries to all operatives as our cash flow is strong as well as everyone enjoys their annual leave and statutory holidays. On completion of successful 60 days employment we arrange the enrolment of MPF scheme.

Replacement Guarantee

We guarantee immediate replacement of staffs supplied if the employment is terminated either by employer or employee as per contract.
